SUMMARY

A creative problem-solver with excellent communication and leadership skills. Learns new technology quickly and continually strives to increase her programming knowledge while honing her current expertise. She brings a wealth of experience in both client-facing and internal team collaboration. Proficient with a wide array of programming languages and design tools. Unafraid of challenges and embraces change. Excellent potential to become an outstanding team member.

EXPERIENCE

Apr 2016 to
present

Galvanize

Full-Stack Web Developer

- Used the Node, Express, Angular, and PostgreSQL stack to develop both front-end and back-end web applications
- Followed best practices for RESTful CRUD applications, utilizing Agile workflow in a team environment
